OF CONVENIENCE AND NECESSITY.

DOCKET NO. W-01445A-05-0389

PROCEDURAL ORDER

BY THE COMMISSION:

On February 2, 2006, the Arizona Corporation Commission ("Commission") issued Decision No. 68442 which approved a request for an extension of Arizona Water Company's ("Company" or "Applicant") Certificate of Convenience and Necessity ("Certificate") to provide public water service to three parcels of land located in both the City of Coolidge ("City"), and in portions of Pinal County, Arizona subject to certain conditions to be completed within one year of the Decision by February 2, 2007. The conditions required to be met by the Company are as follows:

- that the Company charge its existing rates and charges for its Coolidge system in the proposed extension area;
- that the Company file, within 365 days of the effective date of this Decision, with the Commission's Docket Control, as a compliance item, a copy of the respective developer's Certificate of Assured Water Supply issued by the Arizona Department of Water Resources for the areas described in Exhibit A;
- that the Company file, within 365 days of the effective date of this Decision, with the Commission's Docket Control, as a compliance item, copies of any executed main extension agreements; and
- that the Company file, within 365 days of the effective date of this Decision, with the Commission's Docket Control, as a compliance item, copies of the respective Certificates of Approval to Construct issued by the Arizona Department of Environmental Quality for the construction of mains in the three extension areas.

On December 27, 2006, the Company filed a request for a one-year extension of time, until February 2, 2008, to complete the compliance requirements for Decision No. 68442. The Company indicates that it is in partial compliance with Decision No. 68442 and has filed some of the required

documentation and states that development is going forward on the three parcels of land included in the extension area.

On January 4, 2007, by Procedural Order, the Commission's Utilities Division ("Staff") was directed to file a response to the Company's request by January 18, 2007. Staff has filed no objections to this request by the Company.

On January 17, 2007, the owner of one of the three parcels also filed a letter in support of the Company's request for an extension of time.

Accordingly, the Company's request for an extension of time to comply with Decision No. 68442 is reasonable and should be granted.

IT IS THEREFORE ORDERED that request of Arizona Water Company for an extension of time, until February 2, 2008, to comply with Decision No. 68442 is hereby granted.

DATED this 1st day of February, 2007.
